

Tianyan 天眼

I made Tianyan (天眼) inspired by an actual valorant flex named Statcom. With Tianyan you can check your K/D/A, on which map is your win rate the highest, which agent you use the most, your rank etc. you can even play music on it!

github repo:

features:

- Wi-fi
- 3.2 inch screen
- sound
- shows match stats
- inspired by Statcom(from valo)
- touchscreen
